Sometimes ONE is Better than FOUR!

Introducing the Industry's First Integrated Expanding Adapter

What was once four individual
pieces, has become **ONE!**

- » New expanding adapter features three interlocking pieces forming an easy, single assembly
- » Durable glass-filled nylon knurled nut and flange bushing with rubber expansion tube
- » All components corrosion free
- » Turning of hex nut beneath lower raceway expands rubber expansion tube for tight permanent fit to application
- » Ground-breaking design boasts equal performance as our traditional expanding adapter that demands hand assembly of four independent pieces
- » Delivered to you preassembled, requiring only one piece attachment to our 1 and 2 Series Expanding Adapter casters
