Colson Introduces NEW 40 Series Forks

Dear Sales Partner:

Colson Caster Corporation is pleased to announce another new addition to its growing product line – 40 Series swivel and rigid forks. The 2” wide forks are extremely economical and are available in box quantities as listed below. Colson 40 Series forks meet industry standards of 900 pound capacity each. In addition, the swivel forks accommodate Colson’s current Top Lock brake kits and swivel locks. This product is unbranded, featuring only a size stamp on each model. All sizes are available FOB Jonesboro, AR and will begin shipping in late April.
