

Another Innovative Solution from
Colson, the World's Leading
Caster Manufacturer

encore[®]

Quality & Economy Casters from Colson • www.encorecaster.com

And the Award for Best New Economy Caster Goes to *Colson's Encore Line Dolly Caster!*

- Single insert molded wheel bearing offers smooth rolling and is maintenance free for the life of the dolly
- Non-marking grey TPR wheel tread protects flooring and resists foreign debris like gravel when rolling
- Durable and cost-effective zinc-plated finish
- Unique tread material resists cutting or tearing like other TPR materials

- Double ball swivel raceways for better performance and greater strength
- 1 Year warranty
- In stock for immediate shipment at Encore Line's lower pricing
- Applications include moving dollies, medium duty material handling carts, stock carts and more

Introducing the latest high-quality, low-cost cast member for Colson's Encore Line—Dolly Casters.

The new Encore Line Dolly Caster by Colson rolls on—even in today's most demanding material handling environments! The caster is perfected for outstanding performance on moving dollies, food service carts, and stock carts. And, Colson's Encore Line Dolly Caster takes the award for easy-rolling and quiet due to its TPR wheel, as well as the award for best design with its unique plastic thread guard that also serves as an integrated spanner bushing.

Contact your Authorized Colson Distributor for more information and to place your order!

Wheel Diameter	Tread Width	Capacity Each (Pounds)	Wheel Description	Swivel Top Plate Fork Models	Load Height	Swivel Radius
3"	1 1/4"	180	TPR (Flat/Grey)	E2.D3856.465	4 1/8"	2 19/32"
